We asked your thoughts on the following
Oceans Protection Plan priorities:

- Creating a world-leading marine safety system
- Protecting and restoring marine ecosystems
- Creating stronger Indigenous partnerships and engaging coastal communities
- Making decisions based on scientific evidence

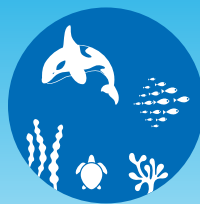

You responded:

The Government of Canada needs to do more of the following to meet these priorities:

IMPROVE REGULATION OF
MARINE TRAFFIC

ADDRESS THE EFFECTS OF
SHIPPING ON THE MARINE
ENVIRONMENT

CONTINUE TO PARTNER
WITH INDIGENOUS PEOPLES
AND LEARN FROM THEIR
TRADITIONAL KNOWLEDGE

CONTINUE TO PARTNER
WITH THE SCIENTIFIC
COMMUNITY TO PROTECT
COASTAL ECOSYSTEMS
